Beautiful WORLD WOMEN

meet beautiful KOREA
ANCORS Skin Health Research Institute develops products to touch the hearts of customers all around the world through technological innovation leading the trends of cosmetics. ANCORS has proved its advanced technologies and first-class quality in the mask pack market through a partnership with global companies as well as Korean enterprises. Also from here on, ANCORS will make a leap forward with innovative development manufacturing beyond OEM and ODM as a strong partner for future development of the beauty industry.

PRODUCT

**BOTANIC HEAL boH | DERMA WATER CERAMIDE GEL CREAM**
A moisture-circulating cream whose water ceramide and aquaxyl substances fill your skin with moisture keeping moisture balance without drying for 24 hours a day! This item is a moisture cooling cream, effective for soothing your skin and contracting your pores with its gel form applied on your skin feeling fresh and cool.

**MINIONS | VITA C SLEEPING PACK**
Vitamin power full of life!
MINIONS VITA C SLEEPING PACK selected for the first prize in the 2019 Hwahae Beauty Awards in the Top Half. Its vitamin C substances grant gloss and vitality to your skin, along with hyaluronic acid fully moisturizing your skin for turning your skin to be clear and bright while you are sleeping.

**LANEIGE | 3in1 CLEANSING TEA BAG**
Its plentiful foam from tea leaves removes wastes from your pores, along with enzyme powder and soft tea bag nets offering comfortable peeling effects for your skin as a cleanser also used as water pack. Gentle scent of tea presents a deep relaxation.

**FAN BEAUTY | Seagrape Deep Hydrating Water Gel Mask**
A signature mask of 'FAN BEAUTY,' launched by Fan Bingbing after several times of testing. The water gel sheet has strong moisturizing effects to turn into a soft, thick gel when coming in contact with essence. It comfortably wraps around your face, and effectively delivers effective substances. It absorbs heavy metal from your skin, presenting a fresh, clear gloss.

**Dr. Jart+ | Dermask Rubber Mask**
When everybody else was trying to make thinner and lighter sheets, we focused on thicker and heavier materials to create a sheet mask of a new concept that is closer and more intimate to the skin, completely different from what had been offered. This rubber mask of a new type is free of the inconvenience found in typical rubber masks but plays to their strengths. ANCORS' rubber mask delivers rich nutrients deep into the skin with its outstanding adhesion and cooling sensation.

**Huxley | MASK: OIL AND EXTRACT**
For the best synergy of different substances, ANCORS considers how to allow a user to use the optimized, freshest form which provides synergy between a strong anti-oxidation effect and moisturizing. Put the cactus seed oil onto the mask sheet containing cactus extract right at the moment of use, and the form changes into an emulsified form which is optimal for your skin. It's Huxley Mask Oil & Extract.

Beauren Korea Inc.

BEAUREN KOREA was founded with the aim of creating Korean Beauty. We, as a specialized company to manufacture high-end cosmetics, have been striving to develop our own ingredients to prevent skin aging. Our unique ingredient, naturally derived Microspear®, was born from this background. Our products containing Microspear® are very effective for anti-wrinkle, elasticity, brightening, and acne care, etc. As soon as we launched our brand, “MIRACLETOX” and “CELLSTORY”, we generated a big buzz among consumers due to powerful effects and luxurious package. In Korea, we won ‘Beauty Cosmetic Grand Prize’ and ‘Service Grand Prize chosen by consumers’ in 2016 and “BRAND STARS; Prestige Brand” in 2018. Our products won WABEL AWARD BEST PREMIUM PRODUCT in Paris in October 2018 due to powerful effects, uniqueness, and luxurious packaging.

PRODUCT

MIRACLETOX Time Rewind Perfection Program
This program is a new anti-aging cosmetic that goes beyond simple cosmetics to reach the area of treatment. It gives a quick solution for the skin that loses elasticity and has more wrinkles with aging through more powerful but minimized stimulation.

MIRACLETOX Time Rewind Advanced Premium Program
This program is a professional product for beauty salons and SPA as Microspear® awakens the sleeping skin energy and makes the skin full of vitality. It provides anti-wrinkle, skin soothing, moisturizing, brightening, dazzling elasticity, acne treatment in a short period of time.

CELLSTORY Plus Cellplant Meso-Care Program
CELLSTORY is a professional derma-cosmetic brand for spa, beauty salon, and skin clinic with safe ingredients and hygienic use. CELLSTORY has 8 promises for
1) disposable single packaging
2) no harmful preservatives added
3) no artificial fragrance added
4) no artificial color added
5) EWG green level
6) PH sub-acidity
7) 3GF (EGF/IGF/FGF)
8) Cell Amino Complex

1. **Cosmetics of distinguished water**: Instead of using refined water, we only use deep sea water which is rich in natural mineral. There are many products of deep ocean water but their contained volume and concentration is very low. BSKOS&ESMIA cosmetics are basically made with under 1500m water deep within Ulleung-do, a rich repository of natural mineral.

2. **Principle of safety**: BSKOS&ESMIA follows thorough rules when manufacturing. All products of BSKOS is produced by the company which obtained CGMP(Current Good Manufacturing Practices) certification. We focus on our product improvement rather than its appearance.

3. **Principle of Natural**: BSKOS&ESMIA products are only made with all natural ingredients. BSKOS&ESMIA will seek better and safe natural ingredients. And we will produce safe and effective cosmetics.

4. **Principle of Product**: BSKOS&ESMIA develops safe and effective cosmetics only and it will give customers a solution of their skin problems. BSKOS developed the products smooth and mild to solve the worries about sensitive skin.

---

**ESMIA DEEP PURE AQUA TONER SPRAY**
soothing solution for sensitive and dry skin. Concentrated mineral tonic of deep sea water. Skin can get worse by lack of or imbalance of mineral. Skin is affected by cosmetic care, dietary, stress or life habit but if yours get worse without any of those reason, you’d better try our Hydration Dow+Mi Spray.

**ESMIA FULL COVER GOLD CUSHION**
ONE TOUCH AND EXCELLENT COVER
Unlike other cushion, ESMIA Full Cover Gold Cushion has outstanding cover and Pin attachment. tone makes bright and elegant skin make-up. Silicone hybrid powder interchanges the skin without bending. Soft Focus Effect maximized nature tone and brightest skin.

**ESMIA BB CREAM**
Esma Tone-UP BB
It keeps sticking together like my skin. Aqua Tone-UP BB creates shining skin tone. Long-lasting tone-up maintain 24 hours make-up just one touch/make-up. Aqua bubbles fill up Intermuscular pollination and softly covered skin Not only sensitive skin but also pregnant women may use without any worries with Esma Natural origin component BB.

DONGGI PNI Co., Ltd.

DONGGI PNI Co., Ltd has been developing over 2,500 cosmetics molds for 15 years since its founding, polishing technology and gaining experience. Taking advantage of the technological capabilities created by this experience, we are now planning, manufacturing and selling cosmetics containers, and we are making efforts to satisfy customers and grow our business. Cosmetics bring out great power from harmonious and harmonious conditions, while various ingredients demonstrate their individuality. Therefore, the container for storing cosmetics requires very special techniques such as design, including stability. We have been quietly polishing our cosmetic container manufacturing skills while making many cosmetic container mold. In line with the company philosophy of providing the best possible survival while respecting customers like “family”, we intend to work for all employees as a special list of cosmetics containers and for “family” in the future.

PRODUCT

Airless dispenser which is widely used in cosmetics and household goods, was equipped with steel springs for pumping. DONGGI PNI’s new airless dispenser (RaDi) is a new product without steel springs. In addition, it is only made of plastic material without foreign substances such as iron, so it is very convenient and eco-friendly when collected separately.

K-WON BEAUTY

We established in 2003. Our company goal is to provide beauty and health to whole world by producing high quality product. From beginning, K-WON BEAUTY provide high quality products with reasonable price to consumers. We designed our product with strict company policy to satisfy the large number of customers. K-WON BEAUTY firmly stand as one of reputable manufactures for personal care products, Nickel foot callous remover & Nail file, Nickel Sheet with endless studying, developing and technical innovation.

PRODUCT

Unlike other existing callous smoother files, K-Won beauty’s nickel file has strong competitive advantages

- Immediate results on dry feet. (our nickel files can be used on dry surface therefore, it is easier to control for smoother skin result)
- Long life span (Nickel is used for medical devices because of high durability. It resists abrasion and oxidation)
- Easy-to-use, easy-to-handle
- Available in six grade grits
- Safe and hygienic
- Suitable for all skin / Nail types

It’s simply the best.

LOVBOD Inc.

LOVBOD is a skincare brand dedicated specifically to body skincare. Our brand slogan ‘Love Your Body, Love Yourself’ embodies the message for every body to love and be proud of what they’ve got. Our bodies are beautiful, no matter the shape and size – but it’s natural to have skin insecurities here and there on our bodies and to want to eliminate them.

LOVBOD offers something tailored for every inch of your skin. We’ve listened to women with skin woes hidden under the surface, and that’s why we created LOVBOD - to help every beautiful body to be in the skin we are confident of.

PRODUCT

LOVBOD provides specific skincare solutions and effective products for each part of the body.

BumBum Mask
Specialized for Buttocks Care
#Volume Forming #Warming Effect #Skin Elasticity
Ingredients include VOLUFORM® and collagen which help boost skin’s natural volume. The skin absorbs moisture and regains elasticity to help improve skin health. The mask’s warming effect helps blood circulation and allows accumulated fatigue in the area to melt away.

Love Your Body Stick
Specialized for Keratin Care.
#Brightening #Hydrating #Keratin Care
Easy-to-apply Love Your Body Stick for brightening quickly melts at skin temperature as soon as it is applied, forming an essential moisturizing layer on the skin. Non-sticky glossy finish oil adheres to your skin, giving skin a radiant sheen. Brightening active ingredients help to improve dull skin caused by friction.

Extra-Firming Body Essence
Specialized for Anti-aging Care.
#Energizing #Firming #Moisturizing
Moisturizing ingredients and nutrients that are easily absorbed during application provide rich moisture and elastic energy to the skin. The active ingredient finishes neatly without stickiness, protecting skin from moisture loss after showering and strengthening the epidermal barrier. Hydrolyzed Hibiscus extract with natural Botox properties makes the skin more elastic.

RMG CO., LTD.

RMG is a security label company. We have three brands: SECUTECH, SWEBS, and SEALTICKER. SECUTECH is just hologram label. SWEBS is hologram and IT system. Not only web/mobile certification but also Marketing, distributor management, supply chain management, customer management and so on.

PRODUCT

What is SWEBS?

It is abbreviation of Security WEB Authentication System and it suggests a total solution for authentication service and customer management for company’s trademark protection.

This system helps you check whether products are original and genuine, as well as making it possible to track distribution and marketing management by automatic tracking right after removing the scratch off the hologram stickers and then running the QR code only once.

PRODUCT

Hm-900 (Reversal Mirror)
Reversal mirror is a mirror that reflects itself as seen by others.
Unlike ordinary mirrors, this mirror eliminates the left and right inversion.
So you don't have to worry about what it will look like to others while watching your real appearance.
If your hairstyle or dots are reversed, your impression will change dramatically.
Use a reversal mirror turning up and down with a normal mirror together
360 degrees rotation and use at a comfortable angle fixing by turning the screws on both sides.

HM-468 (2 way LED MIRROR)
2 side mirror (1 : 3x magnifying)
Use 4 x AA batteries / on -off button
360 free rotation

HM-419 (2 way table mirror)
Modern and simple design.
One side is normal and the other side is magnifying mirror can be changed to 5X / 7x / 10x
360 free rotation

THE BLESSEDMOON

The meaning behind the name “Blessed Moon” is “Blessed people”. We at Blessedmoon believe that everyone in the world has own charms. Our goal is to inform them that they are blessed with their unique charms. To achieve this goal, Blessed Moon presents ‘customizing’ as the biggest feature. Until the day everyone finds its’ blessing, BLESSED MOON will work for women’s beauty life. Bless you proven quality.

PRODUCT

Top six most used make up items (Foundation, Blush, 2 types of eyeshadow, lip, brush and Eyeliner) are put together in a small multi-kit and you can do a full makeup and carry it in your pocket. ‘Bleemoon Kit’ solves the problem of women carrying a huge messy makeup pouch which minimize the time to do makeup and maximize the beauty of each person. The World’s first minimal multi-kit, ‘Bleemoon kit’ has the great feature of customizing your own kit with your style of makeup thanks to easy removal magnetic round-shaped palette refills.

TIRTIR

TIRTIR is a Korean skincare/makeup brand which first launched with 'SNS Customer Communication Platform' for glossy porcelain skin and inner beauty products. After the launch, the brand rapidly expanded to multi-channels in Korea with the help of our loyal customers. It is a healthy cosmetic brand for the whole family and also a lifelong brand that grows by engaging and empathizing with customers.

We always focus on communicating with our customers from the stage of development and launch products that reflect customers’ needs and opinions. This way our customers show strong satisfaction and repurchase rates.

PRODUCT

BUBBLE TONERS
The toners with rich bubbles absorb into skin faster than regular toners to add moisture and radiance to skin.
Boosts hydration from the first step of skincare, and balances oil/moisture for healthy, dewy glowing skin.
Bubble toners can be selected according to needs and individual skin types.

MILK SKIN
The hydrating toner with a healthy skin moisturizing recipe contains nature originated ingredients like Chamomile Flower Extract which not only adds hydration to skin but adds vitality and soothing effects to skin.
Considering every customers, the product can be used by every skin types with appropriate methods to use.

CERAMIC CREAM
The hydrating cream with a smooth porcelain texture hydrates and nourishes dry and dull skin.
The cream also contains plant ingredients like Shea Butter which is excellent for creating a moisture barrier for a luminous and glossy skin.

CORPORATION YEONJICOSMETIC

Booth No. 16A-44

Name of our brand ‘Beaudiani’ is a compound word of Beau, a French term for ‘Beauty’, and Diani, an Native American term for ‘Deer’. Our brand is aiming for family-sharing cosmetic. We are hoping our products to be not just a daily used cosmetic products, but more like family-shareable, memory creating, and even become a part of customer’s nostalgia.

For this reason, we manufacture all cosmetic products based on natural ingredients, and put all of our effort to create memorable products.

Beaudiani donates a part of his earnings to children who are suffering through a support group. We will also be very interested in getting a good education in a better environment through a wider channel. And we will try to form a virtuous circle that can help others in the future including the children.

THE FIRST MOISTURE for YOUR TIRED SKIN

This toner provides a soothing feel to the skin through fast absorption and a non-sticky refreshing feel. It soothes flaky, sensitive skin by delivering moisture to the skin with its moisturizing, soothing ingredients.

MOIST TONER TISSUE

Designed with convenience and ease in mind, the travel-friendly Beaudiani Moist Toner Tissue helps provide skin with deep hydration. Soaked in nourishing ingredients, including carrot seed oil and witch hazel, the fuss-free toner sheet provides the skin with several nutrients to revitalize and reset the complexion and brighten the skin. Skin is left soft, supple and ready for the rest of your skincare regime.
